

Jonas Poser

Unter Birken 1, 53797 - Lohmar, NRW, Germany - jonas.poser@jopoi.com - +49 15254148476

EXPERIENCE

FOUNDER & CEO
JOPO

REMOTE
MARCH 2025 - MARCH 2026

- Founded and built a B2B SaaS that automates campaign management for performance marketing agencies via autonomous AI agents
- Delivered from concept to paying pilot customer in under 6 months; pilot saved 15h/week on campaign analysis
- Full TypeScript/React frontend, Node.js on Cloud Run, Firebase, BigQuery ML, Google Ads API, Meta Marketing API, Vertex AI
- Accepted into Google Cloud for Startups AI-First Program (Jun 2025); received NRW Gründerstipendium (Jan 2026)

CO-FOUNDER & IOS DEVELOPER
VIMMO

REMOTE
APR 2026 - PRESENT

- Built and shipped an iOS app solo helping students in Germany and the Netherlands check rental listings
- AI compares rent prices against local market data and flags illegal or unfair contract clauses
- Built in SwiftUI with GCP backend; live on the App Store with 100+ downloads within weeks of launch

CO-FOUNDER & IOS DEVELOPER
CANTO

REMOTE
APR 2026 - PRESENT

- Built a solo iOS music app in SwiftUI with real-time sheet music rendering (Verovio WASM) and MIDI playback (CoreMIDI)
- Shipped to the App Store while simultaneously completing Abitur final exams
